TASTING NOTES

The aromatic profile is fruity, vibrant, and powerful.
Floral scents and spicy notes of liquorice and Timut
pepper give way to fruity nuances of blood orange,
candied cherry, and juniper berry.

On the palate, the wine is tonic, fresh, and
powerful. Fine, noble bitters accompany the wine
toward a mineral and mouth-watering finish.

IT IS RECOMMENDED TO SERVE THIS WINE AT AROUND 10°C
IN A TULIP SHAPED WINE GLASS.
